Dear Mr. Arell:

Enclosed is a draft copy of the Preliminary Assessment for the Jones & Pardee Smelter Site (UTD988075263) along with a floppy disk containing the PA Score. The State recommends that this site be given a low priority due to the small amount of waste present and the lack of threatened targets in the area.

If you have questions please call Ty Howard at (801) 536-4100.

Sincerely,

Brad T. Johnson, CERCLA Branch Manager  
Division of Environmental Response and Remediation
